The P o i n t

Baobab Trees

Program Presentation by Candi and Cynthia.

Container Garden creation. Container selection made easy. How to prep the container, to seal or not to seal. Repair of cracked terracotta pots. Spray paint decoration and some display tips. Candi and Cynthia will also be teaching macramé hanger making.

The P o i n t

The presentations from 2015 and 2017 Cactus and Succulent Society of America national conferences are available . Most talks are about 45 minutes.

There are some extremely good talks. My hands down favorite is Joël Lodé, "**40 Years of Adventures**" and "**Taxonomy of the Cactaceae**" [Download \(88MB\)](#) or [YouTube](#). This was an exceptionally well put together media presentation.

The purpose of this newsletter is to provide and exchange information about member events, tours, networking opportunities, and to share your experiences and knowledge.

Unless noted as off-site, meetings are held at the Phinney Center 6532 Phinney Avenue North, Seattle <http://phinneycenter.org/about/directions.html>

CCSS is an affiliate of the Cactus & Succulent Society of America (CSSA) <http://cssainc.org/>

Cactus Wanted: Echinocactus grusonii – golden barrel cactus - aka mother-in-laws cushion. If you have plant that is 15" in diameter or less and would like to sell it or give it away, please contact Denisedhawk96@comcast.net.

Here is a link to a wonderful cactus and succulent magazine, free from Graham Charles.

Cactus Explorer 24 is ready to download free from:
