Cascade Cacti & Succulent Society

Volume III

May 9th 2019

Mr. Greg Colucci will be bringing live sempervivum examples to the May meeting for a short succulent of the month presentation with a nod toward the clubs' June field trip.

Denise will be speaking about the June Field trip.

Sometime during this May meeting in tandem with Greg and his 10 minute talk to enlighten us about the wonders of Sempervivums.

Photo to the right is of one of the test beds in Kevin Vaughn's garden that we will visit in June.

### **Dixie Dringman in Wenatchee is moving!**

**Our long time member and friend, Pediocactus expert and savior, is moving. She has many wonderful plants on her property.**

**Many of us have been out to Dixie's wonderland in Rock Island. She is selling her home and also some vacant adjoining land.**

**Dixie's place is about a 3 hour drive east.**

**She has large yuccas and larger yet Joshua trees. You will need a pick up for these**

**and a serious digger to get the roots.]**

**For Dixie's address or up to date info  
Please email Karen Summers or check  
website.**

**Thank you.**

**Some of Dixie's Opuntia pads will be up for  
grabs at the May Meeting.**
